

Y7 Parents' Information Evening

- Welcome – David Clarke (Principal)
- The year ahead – Mr Daybell (Head of Year 7)
- How can you support your child at home? – Julie MacIntyre (Deputy Principal)
- Supporting your child with numeracy – Katie McDonald (Head of Bespoke Curriculum Development and Transition in maths)
- How to be involved with your child's school experience – Ed Slingsby (Deputy Principal)

Attendance + Behaviour = Progress

The screenshot shows the GO 4 Schools website interface. At the top, there's a navigation bar with 'GO 4 Schools' on the left and links for 'Starter version', 'Modules', 'MIS', 'CPD', 'Login', and 'Contact us' on the right. Below the navigation bar is a cookie consent banner. The main content area features a 'Welcome to GO 4 Schools' section with a description of the platform's benefits. To the right of the text is an illustration of a laptop displaying the GO 4 Schools interface, a cup of coffee, and some papers. Below the welcome section is a 'What's new?' section featuring the ASCL logo and text about the partnership.

Welcome to GO 4 Schools

Your school can make better decisions with information that is accurate, up to date, complete, at the right level of detail – and at your fingertips.

GO 4 Schools helps you achieve this. It's the efficient, joined-up, smart way to work.

What's new?
Premier Partner
ASCL Association of School and College Leaders
GO 4 Schools continues to support schools as an ASCL premier partner. Learn about [our partnerships](#).

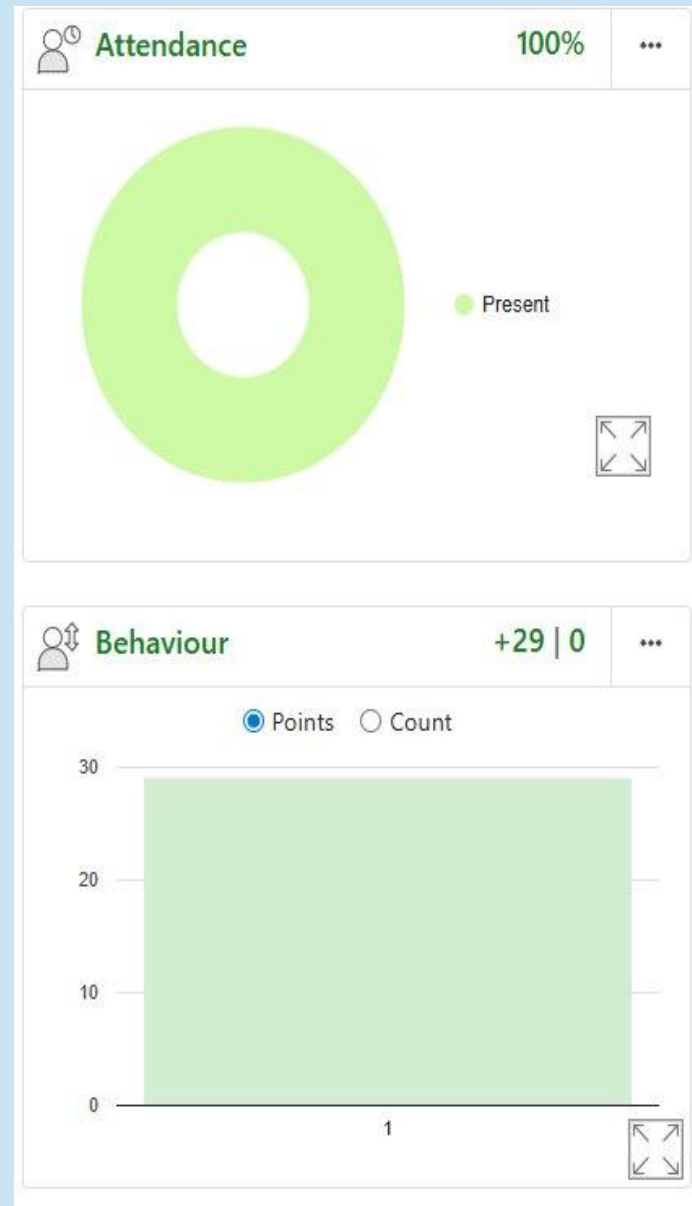

What is my child's attendance?

% BAND	Level	Impact	Action
99+	Excellent	Up to 2 days / 10 lessons missed.	Catch up on any work you missed.
		Best chance of making good progress!	
97-99	Really good	Up to 5 days / 25 lessons missed.	Catch up on any work you missed.
		Really good chance of making good progress.	
95-97	Good	Up to 10 days / 50 lessons missed.	Catch up on any work you missed.
		Decent chance of making good progress.	
90-95	Not good	Up to 20 days / 100 lessons missed.	Tutor action
		To make good progress you'll have to work hard to catch up.	
85-90	Worry	Up to 30 days / 150 lessons missed.	SLT/HoY action
		To make good progress you'll have to work really hard to catch up.	
0-85	Real concern	More than 30 days / 150 lessons missed.	Educational Welfare Officer action
		Missing this much school will make it very difficult to make good progress.	

The more school a student misses, the harder it is for them to make good progress.

Behaviour points in Year 7 so far...

Positives = 3751
Negatives = 0

Lockers

- Payment on MCAS
- Students hopefully have lockers but there are some left if needed

Tutor Time

Mon	Assembly
Tues	Student Bulletin
Weds	Numeracy
Thurs	Reading
Fri	Personal, Social, Health and Economic (PSHE) education

Who should you contact?

The Magic Key

- Decrease stress
- Improve vocabulary
- Improve memory
- Develop empathy
- Improve sleep
- Increase GCSE grades
- Increase future earnings

FIND FIVE MINUTES SUMMER READING LOG

Keep a record of your daily summer reading sessions.

Read for a minimum of five minutes everyday to build your reading habit. If you miss a day, make up for it the next and aim for a minimum for 35 minutes over the week. Don't forget Mrs Webb will ask you about your reads in September!

Date	Title of the book	Author	Time Spent	Review
17/6/26	<i>EXAMPLE</i> The Hunger Games	<i>EXAMPLE</i> Suzanne Collins	<i>EXAMPLE</i> 10mins	<i>EXAMPLE</i> ★★☆☆

How can my child access books?

Sora

The student reading app

What happens at school?

- Reading is part of English homework in KS3
- All students have lessons where they have a chance to use and explore the Library
- Y7 English includes a variety of novels, short stories and different genres
- Other subjects will explore a range of texts
- Tutor time reading
- Reading interventions

SCARBOROUGH'S READING ROPE (2001)

LANGUAGE COMPREHENSION

BACKGROUND KNOWLEDGE
(facts, concepts, etc.)

VOCABULARY
(breadth, precision, links, etc.)

LANGUAGE STRUCTURE
(syntax, semantics, etc.)

VERBAL REASONING
(inference, metaphor, etc.)

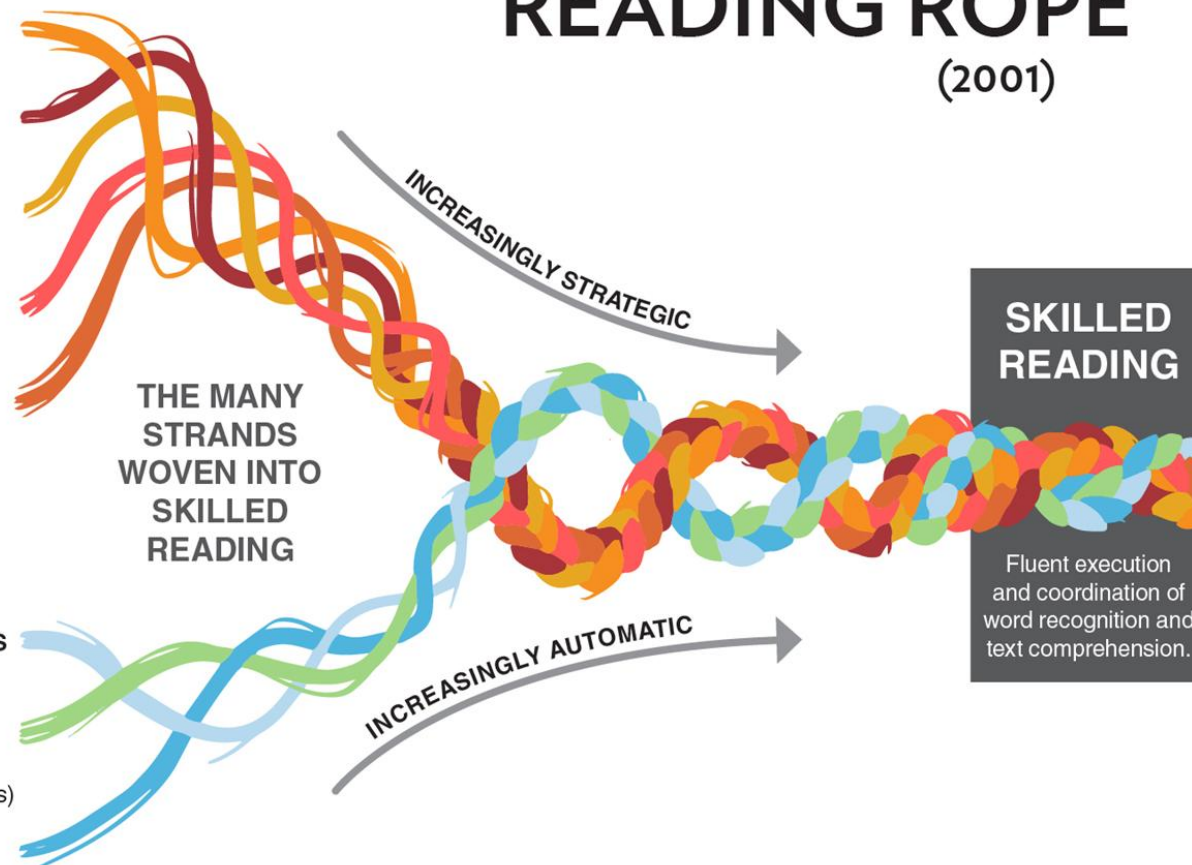

LITERACY KNOWLEDGE
(print concepts, genres, etc.)

WORD RECOGNITION

PHONOLOGICAL AWARENESS
(syllables, phonemes, etc.)

DECODING
(alphabetic principle,
spelling-sound correspondences)

SIGHT RECOGNITION
(of familiar words)

It helps you in technology

Example:

The area of my sticker needs to be 24cm^2 ,
what could its length and width be?

**It makes learning
maths easier**

Example:

Work out 0.4×0.9

Why learn your times tables?

It helps you in science.

Example:

A car is travelling at 50mph for 3hrs .
How far did it travel?

It makes life easier

Example:

You want to share the cost of a $\pounds 12$ pizza
between you and your 5 friends.

Accessible from:

- Tablets
- Desktop or laptop computers
- Phone

Possible sessions:		112			
Progress Towards Target					
Exceeding	On track to exceed target				
On track	On track to reach target.				
Not on track	Not on track to reach target				
Attitude to Learning					
Very good	Very good: This student takes full responsibility for his/her own progress and consistently displays excellent levels of effort and commitment. He/she is able to explore issues or problems from different perspectives and is prepared to take risks with his/her learning. This student is always well-prepared for lessons and his/her behaviour and attitude has a positive influence on the learning of others.				
Good	Good: This student participates in all parts of the lesson. He/she shows some interest in improving his/her learning and sometimes seeks assistance from the teacher or other learners. This student generally stays within their comfort zone and may, on occasion, need reminders to stay on task. He/she is usually well-prepared for lessons.				
Requires improvement	Requires improvement: This student sometimes lacks the motivation to learn and can be reluctant to participate in all activities. He/she is put off by failure and can easily go off task. He/she does not always respond to teacher intervention and is sometimes without appropriate equipment/kit/books; this means he/she is not always prepared for lessons.				
Poor	Poor: This student shows little interest in improving his/her understanding of the subject. He/she is quickly put off by challenge and often displays disruptive behaviour that negatively impacts his/her own learning and the learning of others. He/she is often without appropriate equipment/kit/books and is therefore rarely prepared for lessons.

5

**GCSE predicted
grade**

KS2 Maths and English
scores are converted
to an approximate
GCSE score (the
number you see)

GCSE predicted grades are a **guide**, **not a prophecy!**

...and they
are not glass
ceilings.

Students should make **approximately** 1 grade of progress a year.

Progress is not linear however and this will naturally vary for different subjects.

SVC Fine grading:

4-

3+

3

3-

2+

An example of what may happen:

- Student enters SVC with a KS2 score of 100.
- This score is approximately 1.5 on our scale.
- This means in 5 years time they should be aiming for GCSE scores of around about a 6

How do I know how well my child is doing?

Go4Schools compares target grade with current grade. Students are expected to be working towards this grade as the year goes on.

A colour code system is used to draw your attention to things easily.

Departments

Soham Village College prides itself on the top quality education provided by every department. Through departments, we offer a wide range of experiences both in the classroom and through trips and visits to make sure our students get practical experience of the subject they are studying. Each department has detailed the content taught in each term to each year group. This allows parents, carers and students the opportunity to plan ahead and see what is coming next. Please select the subject you would like to know more about from the list on the right.

Social Media & Internet Safety

Internet Safety

As part of Soham Village College's commitment to internet safety, this section of the website contains useful information and resources and other internet safety work undertaken within school.

We also understand that internet safety is not just the responsibility of the school and that parents and carers need to be aware of the issues. To this end we will also be displaying resources covering topics such as online safety, social networking and online privacy.

We have an internet safety email account ESafety@soham-college.org.uk for both parents and carers and students to email if they feel they have any problems or want to raise any concerns.

Due to the serious nature of internet safety we look to increase awareness of the issues and practices with staff, students and parents and carers.

PRIDE SLIDE: POSITIVITY

MATHS IN ART

From Mrs McDonald:
Maths in Art club for years 7 and 8 has been running all year. Here is some of the work. The club will be back on next year if you'd like to come along!

PRIDE SLIDE: INTEGRITY

From Mr Pearce:
A big thank you to Chloe Stokes-Warrington, Lilly Taylor, Lucy Scruton, and Noah Jewkes (all in Y9), who have made over 300 house badges for the new Y7s to have on their first day in September. My heroes!

PRIDE SLIDE: DRIVE

Big congratulations to Shannon Pasek (Y9) who recently won the County Girls Junior Golf Championship! This is a brilliant achievement and means she will now move up to the Senior County Girls Squad next season.

Many thanks for coming.

We hope that through working together we can make this the most successful and enjoyable year possible for your child.
